

Electrician

Harris Companies, Inc. is looking for a full-time electrician that has experience in running conduit, performing repairs, maintenance, and new installations of commercial electrical services. It is important to remain current on electrical code requirements, be detail oriented and self-motivated. You will report directly to management and be required to work closely with others or on your own as the job dictates.

Requirements include a high school diploma, a valid Class D Illinois driver's license (must be able to meet DOT qualifications), be able to work in all types of weather and conditions, climb, lift 100 pounds, and not have a fear of heights. Ongoing education and safety training will also be required through on the job training.

Reimbursements are \$17-\$35 per hour (depending on qualifications) with generous benefits included. Our hours are Monday through Friday, 7am to 5pm and may require an occasional weekend and travel. Overtime is paid over 8 hours per day and on weekends.
