

Elevator Technician

Harris Companies, Inc. is looking for a full-time elevator technician that has basic mechanical skills, a desire and willingness to learn and travel worldwide. It is important to remain current on code requirements, be detail oriented and self-motivated. You will report directly to management and be required to work closely with others or on your own as the job dictates.

Requirements include a high school diploma, a valid Class D Illinois driver's license (must be able to meet DOT qualifications), be able to work in all types of weather and conditions, climb, lift 100 pounds, and not have a fear of heights. Ongoing education and safety training will also be required through on the job training.

Reimbursements are \$17-\$40 per hour (depending on qualifications) with generous benefits included. Our hours are Monday through Friday, 7am to 5pm and may require an occasional weekend and travel. Overtime is paid over 8 hours per day and on weekends.
